

**March 1, 2024**

Dear Ulm Families,

For years it has been said, "It takes a village to raise a child." And I would agree, and add...It takes a community to keep a school running!

We are always grateful for all that this community does for our school. Throughout the month of February we have been short staffed, and this community so willingly helped out. I would like to shout out a huge thank you to all of you who helped this past month. There was so much generosity, and I hope I have not missed anyone. If so, I am truly sorry but thank you for your help!
