

May 2021

We're down to one month to go and it will go quickly. I would like to thank the entire Ulm Community for your tremendous support this year. To parents, thank you for entrusting us with your kids and for allowing us to provide them with a top notch education. To staff and faculty, thank you for all your hard work and dedication to ensure our kids stay safe and receive all the resources necessary for a successful school year. And to our students, thank you for coming to school each day, for without you, we would not be here. Seeing your bright smiling faces each day reminds me we have the best jobs in the world! Have a great summer and I can't wait to see you in the fall.

Announcements:

Thanks to Mr. Gillan, Ulm School will be having a Spring music concert. The Concert will be performed for the school, and parents are welcome to attend! The concert will be on May, 26, from 9:30 - 10:30am.

Ulm School's yearbooks will be available soon for \$5.00. Students may purchase yearbooks by bringing \$5.00 to school and leaving it with their teacher. We will have yearbook signing on our Track and Field Day. Thank you Ms. Periman for making this day possible.

I also would like to give a "BIG" thank you to Ms. Mert Antonich for all of her hard work this year with our students and staff. While she has finished her time at our school for the remainder of this year, you may still visit her any time by visiting our Buffalo jump where she is a Ranger. In Ms. Mert's absence, Ms. Abi Legget will be working with Mr. Gillan, filling in for music.

I would also like to welcome and introduce our two new teachers for the next school year. We are so excited to have these three wonderful teachers join our team!

- Alycia Loomis will be our 5th grade teacher. She is currently a student teacher at West Elementary and she is from Whitehall.
- Tyler Hurley will be our EK- 8 P.E. and Health teacher. He is currently the Assistant Basketball Coach at Great Falls Providence and he is from Anaconda.
