

**November 1, 2021**

Dear Ulm Families,

This school year is flying by...42 days of school already. November is here and winter seems to have arrived. Thank you for sending your children to school prepared for the cold. We do go outside for recess until the temperature is 0 degrees, and it sure makes our jobs easier when students come prepared. Thanksgiving Holiday is already upon us and you know what they say: Christmas will be here before you *snow* it ;)

November 11th is Veterans Day. We at Ulm would like to thank all of our Service Men and Women who have served in our military-Army, Navy, Airforce, Marines and Air National Guard. We will be having a school-wide assembly in appreciation of our military and to pay tribute for all they have done and continue to do in preserving the freedoms we have in our country!

As you may already know, the McKamey Ranch donated beef for our school food program at the end of last school year. And we'd like to thank the generous donations that continue coming in this year, including Karsten Hovland with a beef and Fairhaven Colony donating a pig. Our students enjoy nutritious meals with fresh local beef and pork, thanks to our amazing community. KMON 560 am hosts the "lunch of the day" at 6:40 a.m. each morning and showcases lunches from surrounding schools, choosing their favorite one. We won that contest 11 times last year and this year is off to a great start, winning again today, October 28th.

Beef Raffle drawing will take place on November 5th, at 10:00 a.m. at Ulm School. Tune into the ABC Club's Facebook live drawing. I want to thank the Hastings Lazy J Ranch for the generous donation of the beef, our students and families for selling tickets, and to all of you who purchased tickets. This money goes to help make Ulm School the great place that it is.

As a Reminder, Ulm Schools is partnered with Alliance for Youth (AFY), an organization that works to ensure the healthy development of children and families. Please see the attached flyer on the back to learn more.

School Messenger is a parent notification system that allows us to send messages to our school community. It may be used to inform you of anything school related, including school emergencies. For the system to work efficiently, it is important that we have current phone numbers for your family so that those that need to know can receive the information. Please contact Ms. Angie @ 406-866-3313

### **HUGE THANKS**

American Red Cross and MTANG for sharing their time and joining us during Fire Prevention week.

ABClub for all the great gifts during Red Ribbon Week and all the goodies for our Halloween Parade.

MCDonalds, Bill Himmelberg for our Student of the Month free food certificates.
