

10/1/20

Hey Bluehawk Nation,

On October 1st we will have been in school 24 days. Time is flying by fast and we are about to exchange our Texas for Muckboots. In the event of snow students may not play on the field without hats, coats, gloves, snow boots and snow pants. Please have the students initials written in their clothing so that we can return the item as we no longer have a lost and found.

Halloween will be celebrated here at the school on October 30th. Students will be allowed to wear their costumes to school for the Halloween parade. Due to the current COVID plan we will not be able allow parents in the school for the parade. If you want to send snacks for the day please make sure they are individually wrapped.

**Free Food!** You heard right, there will be no charge for your students eating school breakfast or lunch thru December 31, 2020.

Our new addition is completed and it is officially being used. There are two classrooms that are the new home for Health with Ms. Periman and 4th and 5th grade with Mr. Boedecker. This transition allows more space for these classes to practice social distancing.
